

A lone wolf
in the black forest

It gets caught in
a trap while hunting
for a rabbit.

It got caught -
It got caught -

Full moon on sky -
Its shadow covers
a lake -

Let the wolf get
away in the shadow -

Lux !

Lux, I am fine ...

Were you

I am fine ...

No, I wanna play!

Wanna play!

They aren't usually like this ... Weird.

Hey, so what if they don't want to sleep. No big deal, right?

How about this?

... Wow !!!

Let me show you -

The world I used to live in!

Ah ...

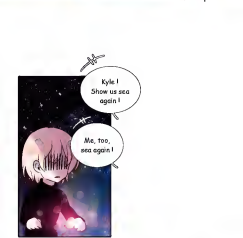

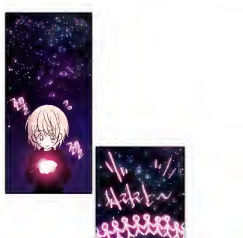

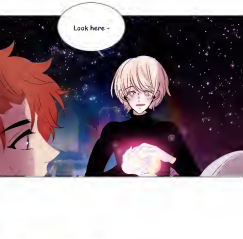

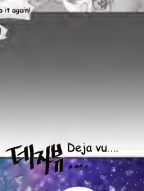

The stars ...

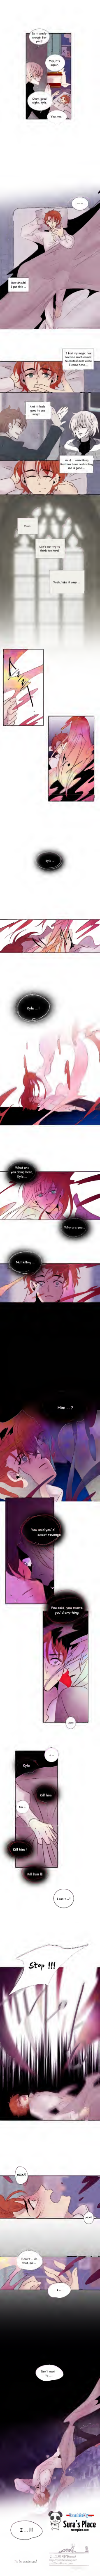

The stars I used to see every night back in my world ...

It feels weird ...

Kyle! Kyle!

Yeah?

Is it comfy enough for you?

Yep, it's super.

Okay, good night, Kyle.

You, too.

How should I put this ...

I feel my magic has become much easier to control ever since I came here ...

And it feels good to use magic ...

As if ... something that has been restricting me is gone ...

Yeah.

Let's not try to think too hard.

Yeah, take it easy ...

Kyle ...

Kyle ... !

What are you doing here, Kyle ...

Why are you...

Not killing ...

Him ... ?

You said you'd exact revenge.

You said, you swore, you'd anything.

I ...

Kyle

Kill him

No ...

Kill him !

Kill him !!!

I can't ... !

Stop !!!

I can't ... do that, me ...

I ...

Don't want to ...

Like knowing Moon emerges at night

Only if I knew something was going to happen beforehand,

I would feel a lot less cheated.

The problem was that I never saw it coming.

The other is those who are capable of magic.

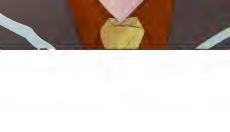

Magic users are born one in a hundred or so.

We have yet to determine what triggers their birth. They are born randomly from the common people.

Thus, we created a facility to contain better magic users.

This is where you came in.

I am going to see
sea first!

You do seem
excited

Yep!

Let's go!
To sea!

... Boh?

Sea!
You said you were
dying to see sea!
So, let's go!

Well, duh, yeah,
I will ... in 3 months.

No, I am saying
right now.

Right now?
What are you talking about.
I have 3 months left

You do know that
those who were born
this month are leaving
the facility tomorrow
right?

The vehicle to take
them away will
arrive soon.

... Don't
tell me.

Yeah!
Let's sneak in!
We will just see
the sea and come back!

Hmmm.
Not a bad idea.

Hey, guys -
If you get caught
doing that, it will be
a big punishment,
you know!

...What do you say, Tere?

I swear we won't get caught!

.....

Tere, come on! You can't seriously wait the 3 months now, can you?

It was strange.

I mean I did wait 17 years patiently..

All of a sudden-

I felt the remaining three months was

Simply too much

I just wanted to see the sea.

I could not think anything else.

Did you count them?

Yes, nine, checked.

Do the headcount again in morning

Roger.

Hey, that was awesome!

Since when did your magic start to fool others also?

Since last week

Awesome, right? I am so awesome.

Haha
You one who?

Get in. Hurry
We can't afford to get caught now.

This is where luggage will be
We shouldn't get caught.

We will stay here, get off once the car stops, check the sea out, and come back.

Okay!

I think I wasn't horribly concerned of getting caught

... Sleepy?

Yeah, a little..

Well, it is dawn after all.

Take a nap. I will wake you up.

When I woke up, I will see the sea..

When I wake up..

...Tere.

Tere..!

Wake up.

..Huh?

It stopped.

We are here? When? I didn't feel a thing!

I woke up just now, too. I fell asleep also..

But here ..

I mean the scenery is ...

...Sea?

Where is sea..?

What is..

this place..?
